Date of Birth: 04/08/2024
Registration 1: Pending
Breeder: FIEBRICH LONGHORNS
Owner: FIEBRICH LONGHORNS

Spring calves are hitting the ground and the first one is a doozy. Her mama is none other than the incredible VF Untouchabull Tessie, striking black and white cow with over 72" of beautiful, corkscrew twist horns who's still cranking out gorgeous, healthy calves at 18 years old. This fancy, feminine stunner is by Jest Command and has his color and speckles, not to mention Hunts Command Respect x Jester in her pedigree. Texas Longhorn royalty
