Breeder: DCCI
Owner: FIEBRICH LONGHORNS

You can't swing a cat without hitting 70 and 80" cattle in this young gal's pedigree and she measured 83.5" TTT at Christmas 2022. She's everything we love- eye catching, big in all the right places and perfectly twisted- sounds like a perfect blind date. This is elite longhorn breeding with Super Bowl, Jamakizm and Over Kill blended with Top Caliber for a guarantee of a horn extravaganza, all with a flashy tri-color paint job thrown in for good

TTT: 83.5000 on 12/23/2022
