If you want to know how much we love Reba just check out the big heart plastered on her forehead. OK fine, maybe her blaze looks more like a tornado- or South America? Never mind....we love her to death anyway. Her dam, Lady Overluck, was one of the industry greats with over 85" of incredible twisty horn and her sire, Voodoo Cowboy, was over 70" at just over three years old. This young gal combines Overlyn's twist genetics with the
